ABOUT ME

Aspiring Software/Web Developer in training at Queensland University of Technology, with a solid grounding in computer science and a variety of programming languages and frameworks. Passionate about UX/HCI design and leveraging over 20 years of leadership and project management experience from the hospitality industry towards a career in technology, focusing on web development and automation.

EXPERIENCE

WEB DEVELOPER

BPA ANALYTICS | 2022 - PRESENT

- Building and maintaining React based applications for short-lived surveys.
- Developing Python scripts for task automation.
- General IT support.

HEAD / EXECUTIVE CHEF

LITTLE VALLEY / SOUTHSIDE | 2018 - 2022

- Oversaw the shutdown of Little Valley during COVID-19.
- Led the transition to a new venue, Southside, in 2020 as Executive Chef.
- Responsible for culinary direction, profitability and kitchen management.

VARIOUS CHEF ROLES

2000 - 2018

- Wide range of roles from apprentice to senior leadership positions.
- Played a key role in the development and success of multiple hospitality ventures.
